Houston, TX 77025

On behalf of the American Diabetes Association, Houston Council and its leadership I want to thank you for making a difference in fighting diabetes in the Hispanic Community. This year's inaugural program reached over 4,000 people in dire need of information and medical attention. Your support was critical in making this happen.

We are so excited about the future and expanding this program and hope that we can count on your future involvement.

Please check out today's Houston Chronicle and the predictions for the future - we have our work cut out for us!

Thank for making a difference and an impact.

Sincerely,

J. Ralston Creswell, CAE
Executive Director
