On behalf of the Board of Directors, volunteers and staff of the National Kidney Foundation of Southeast Texas, thank you very much for your generous contribution of \$360.00, check number 9376, for the annual Family Weekend Retreat.

The Family Weekend Retreat is a unique camp experience developed by the National Kidney Foundation of Southeast Texas to allow adult kidney patients and their immediate families to travel to the campgrounds in Burton, TX for a weekend of family fun and emotional support. The camp is open to adults with kidney disease, kidney cancer and kidney transplants, as well as their children and spouses. While at camp, families bond and learn to accept the changes brought on by kidney disease, all while enjoying the wonders of canoeing, horseback riding, fishing, arts and crafts and many other exciting activities. Your gift will help the National Kidney Foundation continue to provide an exciting and nurturing camp experience for families coping with kidney disease.

Please feel free to visit the Camp for All campgrounds during the weekend of September 27 – 29 and witness the magic of the Family Weekend Retreat. It's an experience that you will never forget!

Should you have any questions regarding the use of these funds, or wish to receive information on the other programs of the National Kidney Foundation, please contact me at (713) 952-5499.

Sincerely,

Nicole R. Gardner
Executive Director
