Thank you for participating in our First Annual Patricia Connor Conference: *Improving End of Life Care in the ICU* as a financial sponsor.

Without your financial support, this conference would not have been possible. As co-chair of the planning committee I would like to give you my sincere appreciation. The overall response received from the conference evaluations affirms the conference's success.

Please save February 2009 as the potential month for our conference next year. If you have any suggestions on improvements to the conference, please forward them to my attention. Your support and opinion would be greatly appreciated.

Sincerely,

Susan Gaeta, MD
