Dear Mr. Hayon,

Thank you for your financial contribution to the 3<sup>rd</sup> Annual Mothers for Clean Air Earth Day 5K. We proudly displayed your company information on all collateral materials, the Mothers for Clean Air website, and at the event.

This year's event, held at MacGregor Park, attracted more than 600 participants and raised \$27,000. The purpose of our 5K event is to generate awareness about our organization and to report on the air quality within the region. It also serves to raise funds for the Mothers for Clean Air educational programs and volunteer opportunities.

Contributions such as yours make it possible for us to educate the public on a regional and local level about the health effects of poor air quality. It also helps us empower residents to identify, prioritize, and actively solve their environmental issues.

Mothers for Clean Air (MfCA) is a local, non-profit, 501(c)(3) organization of parents and community members concerned about the adverse effects of Houston area air pollution, particularly concerning the health of children. All contributions are tax-deductible. Our Employee Identification Number (EIN) is 76-0532881.

Please consider contributing by making our April 18<sup>th</sup>, 2009 race event greater. We look forward to your continued support. Feel free to contact us at the Mothers for Clean Air office at 713.526.0100 or [mfca@mothersforcleanair.org](mailto:mfca@mothersforcleanair.org)

Sincerely,

Mothers for Clean Air
