Dear Mr. Hayon,

In behalf of Philippine Nurses Association of Metropolitan Houston and our President Grace Diaz-Font, I would like to thank you for your generous financial donation during our Nurse Recognition and Scholarship Award last May 3, 2008.

Our organization strives to provide quality educational offering that will apply towards the advancement of our nursing practice. We are also proud to support nursing students of Filipino-American decent in their pursuit to become a professional nurse.

We sincerely appreciate your support on this worthy cause towards furthering the organizational goals and objectives. Enclosed is your receipt of your donation.

We hope you will continue to support us in the near future.

Sincerely yours,

  
Shela Ecobiza, BSN, RN-BC  
Treasurer
